Emergency Flood Kit 1

STOCK No. 92775 **BRAND** Draper

BARCODE 5010559927753

WARRANTY 12 months parts and labour

FEATURES

- Submersible pump is fitted with thermal overload protection and float switch that automatically turns the water pump off when the water level has dropped.
- The heavy duty layflat hose has a reinforced black liner enabling the host to withstand a higher bursting pressure.
- The hose clamp set allows the user to make them to required length. 8mm and 12mm banding available. Comes with 3m of banding and 8 tension clips.

DESCRIPTION

This emergency flood kit includes a submersible dirty water pump ideal for pumping out inspection pits, ditches and footings where suspended solids may be present, general irrigation and other similar applications, and comes with a heavy duty layflat 10m hose, an 8mm hose clamp set and a contractors good quality polyethylene bucket.
